July 20-21, 2024 at Hoyt Scout Reservation

Join us for an unforgettable weekend filled with fun, adventure, and scientific exploration! This year, we're hosting our Cub Scout Family Summer Weekend from July 20-21, 2024, at Hoyt Scout Reservation, and it's going to be "Crazy For Science!"

Crazy for Science is awesome! Discover the craziest things in the universe! Register by June 26 to get cool lab coats and goggles.

### Who Can Attend:

- All families of Lions, Tigers, Wolf, Bears, Webelos, and Arrow of Light scouts are welcome.

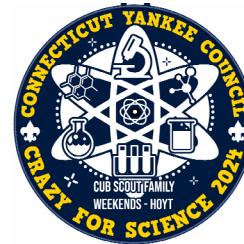

### Weekend Highlights:

- Science Activities: Dive into exciting experiments and become a weekend scientist.
- Outdoor Adventures: Enjoy BB shooting, archery, sling shots, and hikes.
- Creative Crafts: Engage in hands-on projects.
- Fun and Games: Participate in games and family entertainment.
- Evening Entertainment: Watch a movie under the stars and enjoy the campfire.
- Water Fun: Cool off with a giant inflatable water slide and a 30ft Slip and Slide.

### Flexible Attendance Options:

- Choose to join us for the weekend from Saturday to Sunday, or opt for Saturday only.

Come and create lasting memories with your family while enjoying the great outdoors and the excitement of science. We look forward to seeing you there!

**Attention Webelos and Arrow of Light Scouts!** Join us at Camp Sequassen from August 11-14, 2024, for a half-week of fun and "Crazy for Science" activities. <https://mycouncil.ctyankee.org/Event/1156>
