After you cross the bridge, the Scout pavilion is on the right. If your unit representative has marked your camping area on the map, a committee member will be able to assist you in finding your group. Please let us know where your unit has set up camp. It gets dark early and can be difficult to locate your group in the camping area after nightfall. Use of cell phones is recommended although cell service can be weak in the park. Cars should be parked in the parking lot after equipment is off-loaded.

If arriving Friday evening, you may eat before arrival, bring your dinner with you, or go to <https://limerock.com/know-the-area/local-dining/> for a list of area restaurants.

Ground fires are not permitted. Raised fire pits and stoves/grills on stands may be used. Food concessions are available to purchase meals on Saturday (Grill is open until 3 pm, cold items available until 4:30 pm).

If you want to leave and come back make sure you have picked up and are wearing your Scout Day at Lime Rock wristband. Please be sure to show your bracelet at the gate upon re-entering the park.

The Friday night cracker-barrel will begin at 9:00 PM and is open to adults only. You may pick up

your unit's/family's patches and wristbands at this time. Please remember to leave two-deep leadership in your campsite.

Campers must remain in the campground until 7:30 a.m. Saturday morning. This means no one is allowed in the paddock areas or any of the buildings on the property. Failure to observe this rule could result in your dismissal from the park.

For your safety, take a "buddy" along whenever you leave your tenting area.

**All bike riders, both youth and adults, must wear helmets when riding**

Please adhere to the BSA policy on alcohol consumption: Scouting activities are not a place to possess or consume alcoholic beverages. GUIDE TO SAFE SCOUTING.

An adult leader or parent must accompany anyone under the age of 18 wishing to enter the paddock (pit) area. (Groups of Scouts may enter as long as there are two or more leaders present.) Please visit the paddock area after the races begin, not before. No one is allowed to touch or climb in/on cars unless the driver/owner is present and gives express permission.

If you are arriving on Saturday morning, please park as instructed by the park security personnel and proceed to the infield spectator area. You must have your tickets and waivers in your possession. Connecticut Yankee Council Scout Day at Lime Rock tickets are not available at the gate. Gates open at 7:30 AM Saturday morning. The last race ends at 5:00 PM.
